## The fine print.

- All prices are plus parts & taxes. Each package requires pre-authorization for up to \$60 in parts.
- Warranty covers material and workmanship ONLY for the work done.
- All snow blower service will be charged \$10 for shop supplies, fuel and environmental fees.
- If required, \$59.95 Carburetor cleaning will be charged additional for basic tune up.
- **\*\*Add \$40 for “Additional Repairs & Service” if a tune-up package is not selected.**
